DeKalb County School District Announces COVID-19 Testing Schedule

STONE MOUNTAIN, Ga. – DeKalb County School District (DCSD) has finalized its testing schedule for employees, students, and families.

Testing will be available on Mondays and Tuesdays from 10:00 am-5 pm at Bethune Middle School and Cross Keys High School, and Thursdays from 10am-5pm at Doraville United Elementary School. Other locations are being considered for a future date.

“We look forward to the continued partnership with Top Dog Solutions, Inc. to provide testing,” said DCSD Superintendent Cheryl Watson-Harris. “Testing options provide a service for our school community. While we had a successful vaccination event, it’s important to note that not everyone wants to receive a vaccination. Testing will help us to stay proactive and keep our staff and scholars safe.”

The DeKalb Community can register for free COVID-19 testing by visiting <https://freecovidtesting.us/dekalb/>.
